

Class: Dainty Dresdens

Instructor: Mary Derry

Class Fee: \$55

Description:

There are many ways to make Dresden Plates, and there are many ways to create miniatures, but in Mary's opinion, the technique taught in this class employs the easiest and most accurate way of doing both. These tiny Dresden Plates will have precise points and petals every time.

The *Dresden Sundaes* pattern shows a large quilt made with reproduction fabric, while Mary's sample is a small wall-hanging using pastels. The choice is yours: large quilt or wall-hanging. Directions include instructions for both machine applique and hand applique, and again, it is your choice. But fair warning!! These little guys are so cute and so much fun to make, you will find them positively addicting!

Each sundae cup (basket) requires an 8" square of fabric. Mary's sample uses basket weave print fabrics from her stash.

For a larger quilt: Please refer to the fabric requirements on the pattern.
