

Class: Eight Carat Triangles on a Roll Quilt

Instructor: Karen Gilfeather

Class Fee: \$50 (includes Triangles On a Roll papers required for the project)

Description:

If you have ever avoided a beautiful triangle quilt pattern because you didn't want to tackle bias edges and mismatched points, we may have the solution! Triangles on a Roll is a product that solves the issue of stretch, while creating stable, even pieces with little to no fabric waste. Join us to explore the *Triangles on a Roll Quilts* book where patterns are organized by triangle size. We will combine the Sapphire block and Jade blocks to create a 60" x 60" star quilt. We are offering an exciting new feature to this class called Stay and Sew. After class, you may stay and continue to work in our classroom if you are set up and "on a roll!"

Note: Triangles On a Roll papers required for this quilt are included in the class fee and will be distributed in the class.

Courtesies:

Feel free to bring snacks, lunches, or dinners. We will allot time for breaks during our full day classes, but you certainly may stop during any class to refuel!

Please make other arrangements for babies/children and visitors.

We respectfully request you refrain from wearing fragrances or smoking immediately before or during classes. Some of our students are allergic to scents or smoke which become magnified in close quarters.

Please arrive 10 to 15 minutes before class begins to set up your sewing machine and work area to help class begin promptly.

Bring a sewing machine you are comfortable with and that is in good working order, with accessories, foot controls, power cord, and manuals. Please familiarize yourself with threading, winding bobbins, selecting stitches, changing needles and accessories, and adjusting tension, stitch length and width. If you need assistance with your machine, please come to QT in advance of your class so we may assist you or point you to someone who can help.

Please limit the use of cell phones & pagers.

Please purchase fabric ahead of time for pre-washing, pressing, and pre-cutting.

When classes are taught from books, patterns, or magazines, each student must purchase their own to avoid copyright violation. Let's support our talented pattern makers! Please do not photocopy class handouts.

Thank you for choosing our classes! Enjoy!
