

Class: Let's Face It Applique

Instructor: Karen Gilfeather

Class Fee: \$45

Description:

If you think applique is beautiful, but too hard, too fragile, or too time consuming, we have some techniques for you! Learn how to use sew-in interfacing to create smooth, faced edges that make stable, sturdy applique pieces. Your designs can be completely machine stitched to look like hand-sewn. We will mix and match Sew Simple Shapes templates to create endless combinations of petals, leaves, hearts, and frames. You will use a variety of new skills to complete two different blocks and leave class bursting with ideas for creating applique accents for all of your sewing projects.
